PC:

This appeal is directed against the acquittal of three accused under sections 326, 323, 504 and 506(2) read with section 34 of IPC. All these charges were leveled because there were disputes between the parties. The learned trial Judge on appreciation of evidence found that there have been improvements in testimonies of complainant and other eye witnesses which according to him did not put forth before the Court

the true and correct version of incident as it occurred. That being the reason for acquittal of these persons it cannot be said that acquittal is for any reason illegal or perverse. No interference is called for. Appeal dismissed.
